About Genting Malaysia

Genting Malaysia is one of the leading leisure and hospitality corporations in the world. Listed on Bursa Malaysia with approximately RM16 billion in market capitalisation, Genting Malaysia owns and operates major resort properties including Resorts World Genting (RWG) in Malaysia, Resorts World New York City (RWNYC), as well as Resorts World Catskills (RW Catskills) and Resorts World Hudson Valley (which are 49%-owned via an associate company), in the United States (US), Resorts World Bimini (RW Bimini) in the Bahamas, Resorts World Birmingham (RW Birmingham) and over 30 casinos in the United Kingdom (UK), and Crockfords Cairo in Egypt. Genting Malaysia also owns and operates two seaside resorts in Malaysia, namely Resorts World Kijal in Terengganu and Resorts World Langkawi on Langkawi island.

With about 10,500 rooms across seven distinct hotels, RWG is Malaysia's premier integrated resort destination. The resort also features wide-ranging leisure and entertainment facilities, including gaming, theme park and amusement attractions, dining and retail outlets, as well as international shows and business convention facilities. Genting SkyWorlds, a first class, world-class theme park, is a key attraction in augmenting RWG's integrated entertainment line-up. Additionally, Genting Highlands Premium Outlets (a joint venture between Genting Plantations Berhad and Simon Property Group) at the mid-hill, further complements RWG's extensive premium offerings and exemplifies its position as a leading provider of leisure and entertainment in the region.

Genting Malaysia is a member of the Genting Group, one of Asia's leading and best-managed multinational companies. The Genting Group is led by Tan Sri Lim Kok Thay, a visionary entrepreneur who has successfully established the Resorts World brand as a leader in the leisure and hospitality sector in Malaysia, Singapore, the US, the Bahamas and the UK. Tan Sri Lim Kok Thay also has significant investments in other industries globally including oil palm plantations, property development, power generation, oil and gas, cruise and biotechnology.
