

Geno the Dinosaur

Geno the Dinosaur is a real live dinosaur with all the traits of a puppy. Always happy and playful, Geno enjoys taking part in tricks like a regular man's best friend: sit, fetch, and rollover, just to name a few. You will likely find Geno running and playing in the Bamboo Lagoon with his best friend and companion, Joe the Orangutan.

Birthday

13 June

Favorite Food

Bubble Waffles with
ice cream and toppings

Favorite Sport

Obstacle Course

Being raised by dogs, Geno is a master scent tracker and can find anything hidden or lost. He is always happy to help when something is lost.
