PRESS RELEASE

For Immediate Release

“Wu Bai & China Blue Rock Star 2023” Concert Extended to 2 Nights!

Genting Highlands, 1 March 2023 – Due to an overwhelming public demand, Resorts World Genting has decided to add a second night to what was originally a one night "Wu Bai & China Blue Rock Star 2023" concert this May at the Arena of Stars! Wu Bai and his band will now be performing from May 19 — 20, so fans are highly encouraged to purchase their tickets if they weren't able to before, as tickets were completely sold out in a matter of hours upon release.

"We were all genuinely surprised by how quickly the tickets sold out. It is wonderful to see that people are eager to see more of the "King of Rock," said Roger Ong, Assistant Vice President for Events and Entertainment at RWG. "One night is pretty awesome, but two? It's going to go down as one of the best nights in history for fans of the Asian "King of Rock!"

Wu Bai has been regarded as one of the greatest artists of all time in East and Southeast Asia. In 1992, the singer's Taiwanese-language *Dust of Angels Soundtrack* helped launch his career, and he has continued foraying into other artistic endeavors which include acting in minor film roles and writing songs for well-known performers like Andy Lau and Karen Mok. For decades, Wu and his band have been responsible for bringing Taiwanese rock music to a global audience.

Enter the pulsating world of the multi-talented Taiwanese vocalist, multi-instrumentalist and rock-star Wu Bai at Arena of Stars, Resorts World Genting on May 19! Joining him will be his band mates — comprising Dean Zavolta on drums, Yu Ta-hao on keyboards, and Chu Chien-Hui on bass. During the concert, attendees will get to enjoy and be thrilled by the power of rock and an anthology of timeless hits from yester years, as the rock star and his band create an interstellar, cosmic atmosphere that they're globally known for.

The event will kick off at the Arena of Stars, Resorts World Genting. Tickets range from RM786 (VIP), RM536 (PS1), RM376 (PS2) and RM266 (PS3). An additional processing fee of RM4.00 applies. GRC (Genting Rewards Card) members will enjoy a standard 10% discount via cash, credit card or Genting Points redemption, applicable for VIP, PS1 and PS2 tickets only. For ticket reservations and concert details, log on to www.rwgenting.com.

About Genting Malaysia

Genting Malaysia Berhad (GENM) is one of the leading leisure and hospitality corporations in the world. Listed on Bursa Malaysia, GENM owns and operates major resort properties including Resorts World Genting (RWG) in Malaysia, Resorts World New York City and Resorts World Catskills (which is 49%-owned via an associate company) in the United States (US), Resorts World Bimini in the Bahamas, Resorts World Birmingham and over 30 casinos in the United Kingdom (UK) and Crockfords Cairo in Egypt.

With about 10,500 rooms across seven distinct hotels, RWG is Malaysia's premier integrated resort destination. The resort also features wide-ranging leisure and entertainment facilities, including gaming, theme park and amusement attractions, dining and retail outlets, as well as international shows and business convention facilities. Additionally, Genting Highlands Premium Outlets (a joint venture between Genting Plantations Berhad and Simon Property Group) at the mid-hill and Genting SkyWorlds, a first class, world-class theme park, further complement RWG's extensive premium offerings and exemplifies its position as a leading provider of leisure and entertainment in the region.

GENM is a member of the Genting Group, one of Asia's leading and best-managed multinational companies. The Genting Group is led by Tan Sri Lim Kok Thay, a visionary entrepreneur who has successfully established the Resorts World brand as a leader in the leisure and hospitality sector in Malaysia, Singapore, the Philippines, the US, the Bahamas and the UK. Tan Sri Lim Kok Thay also has significant investments in other industries globally including oil palm plantations, property development, power generation, oil and gas and biotechnology.
